## CLUB WAIVER and RELEASE FORM

I fully understand that **Airborne Gymnastics Training Center (AGTC)** staff members are not physicians or medical practitioners of any kind. With the above in mind, I hereby release the (AGTC) staff to render temporary first aid to my child or children in the event of any injury or illness and if deemed necessary by the (AGTC) staff to call a doctor and seek medical help, including transportation by an (AGTC) staff member and/or its representatives, whether paid or volunteer, to any health care facility or hospital or the calling of an ambulance for said child, should the (AGTC) staff deem this to be necessary.

We, the staff of (AGTC) recognize our obligation to make our students and their parents aware of the risks and hazards associated with the sport of gymnastics, tumbling, cheerleading, and dance. Students may suffer injuries, possibly minor, serious, or catastrophic in nature.

Gymnastics, Tumbling, Cheerleading, and Dance can be dangerous and can lead to injury!

Parents should make their children be aware of the possibility of injury and encourage their children to follow all the safety rules and the coaches' instructions.

Airborne Gymnastics Training Center (AGTC), it's coaches, and other staff members, will not accept responsibility for injuries sustained by any student during the course of gymnastics, tumbling, dance, cheerleading instruction, or open workouts, or in the course of any exhibition, competition, or clinic, in which he or she may participate or while traveling to or from the event.

With the above in mind, and being fully aware of the risks and possibility of injury involved, I consent to participate in the programs offered by (AGTC). I, my executors or other representatives, waive and release all rights and claims for damages that I or my child may have against the (AGTC) and/or its representatives whether paid or volunteer.

I also affirm that I now have and will continue to provide proper hospitalization, health, and accident insurance coverage which I consider adequate for both my child's protection and my own protection.

I also understand that it is the parent's responsibility to warn the child about the dangers of gymnastics and injury. The parent should warn the child according to what the parent feels appropriate. (AGTC) will only warn the child through "safety messages" and our teaching style and progressions.
