

You've got questions about your Airborne Birthday Party?

We've Got Answers!

How many guests can I invite?

We are able to accommodate up to 16 children maximum. All children who participate on the floor regardless of age will be counted towards your guest total (including the birthday child). Please be sure to account for siblings when sending invitations! We do not recommend inviting more than 15 children as guests.

What does Airborne provide, and what should I bring?

We encourage you to choose your own theme for your child's party and decorate the space however you'd like. We ask that all decorations be able to be put up with tape. If you prefer to keep it simple, we have standard red vinyl tablecloths. Party hosts are responsible for all decorations, paper goods, and cutlery.

We are having food delivered. When should we schedule the delivery?

We recommend having your food delivered no later than 30 mins after the start of your party.

What will my party schedule be like?

- **15 minutes prior to party start time - Setup:** Arrive at Airborne and our coaches will help you bring in your party supplies and set everything up in your party space.
- **Party Start Time – 55 minutes in the Gym:** Let the fun begin! Your guest will have guided activity in our gym for 55 minutes. Our coaches will help supervise and organize some fun activities around the gym. The final 5 minutes of your hour, we will gather your guests, wash hands, gather our belongings and head to your party room!
- **The next 35 mins - Food, Cake & Cleanup Time:** The remainder of your party will be spent in your designated party space. This will be time for everyone to eat, unwind and sing happy birthday to the guest of honor! Your coaches will help you serve your food, cut and serve your cake, and for the final 15 minutes, clean up after your guests. Please note, your guests may *not* return to the gym equipment after your hour in the gym is over. (It's time for the next party!) Please be courteous to the parties after yours by vacating the party room when your designated time is up. And most importantly... **HAVE FUN!**

Are there other important rules to remember?

- Per the California Department of Health guidelines, all participants **MUST** wear a face covering when entering, exiting, or moving around our facility. All children over the age of two and all adults must wear a face-covering except while eating or drinking.
- Airborne has a strict **NO ALCOHOL** policy for the safety of our guests and staff. Please do not bring alcoholic beverages inside the building.
- **NO ADULTS ON THE EQUIPMENT** - It looks so fun and it's tempting! Please, for your own safety, adults are not permitted on the equipment. This includes trampolines, foam pits, etc.
- Adults are welcome onto the gym floor for photo opportunities during the activity portion of your party. Please feel free to tag us on social media!
- Your guests may *not* return to the gym equipment after your hour in the gym is over. (It's time for the next party!) Please be courteous to the parties after yours by vacating the party room when your designated time is up.

My party staff was awesome! How can I thank them?

Our Airborne staff is trained for excellence and happy to help! Gratuity is not required, but always deeply appreciated when rewarding a job well done!
