Bars sell for \$2 each. Each box has 30 bars.

*Additional boxes of candy can be picked up in the office.

Dear Parents,

The annual chocolate sale is our major equipment fundraiser. This equipment fundraiser is essential to continue Airborne's vision. We want to offer the highest standard of progressive gymnastics classes with state of the art equipment. It is because of this vision that Airborne has been one of the most awarded competitive programs in Northern California. Our preschool, recreational and team programs all benefit from our constant evaluation and upgrading of our equipment and facility. A successful fundraiser allows us to continue our effort in providing a strong gymnastic foundation to enable our young athletes to realize their hopes and dreams! Thank you for your participation in our 2020 Equipment Fundraiser! All level of gymnasts will benefit! Exciting equipment makes for exciting classes!

WE CAN'T DO IT WITHOUT YOU!

All money must be turned in by **Friday, May 20th to be ELIGIBLE FOR PRIZES!**

This date also means all unsold candy must be turned in to the office for us to be free from **penalties** in returning our unsold candy.

Checks should be made out to **Airborne Gymnastics** and inserted in the envelope provided in the candy box with your child's name and class. Please turn in your envelope into the office as soon as possible.

Hints for Successful Sales:

- Do not delay! Start selling as soon as you receive your box. Sell each day.
- Enthusiasm, pride and pleasantness are the best way to approach people. (Wear athletic attire) An example might be: "Hello, I am selling World's Finest Chocolate Bars to support Airborne Gymnastics Training Center. The bars sell for \$2.00 each."
- Ask your parents to sell at work. Ask local merchants, doctor's offices, beauty salons, etc. to buy a box. They can resell to their customers and get their money back.
- Try selling any place that people gather including banks, shopping centers, sports events, movies, family gatherings, etc.

IMPORTANT: Do not leave boxes in cars or exposed to heat—this will make the candy turn white and melt!

Thank you for your participation!
