Airborne Gymnastics welcomes you to a positive and enriching year-round program, which can be entered at any time of year for recreational and competitive gymnasts.

Our program is based on a 4-week month. A valid credit card (Visa or Mastercard) on file is required for all accounts. Tuition is processed on the 1st of each month. If payment has not been received by the 10th of the month, a \$10 late fee will be added to your account. Families with more than one child enrolled will receive an \$8 discount per child when paying the month in full.

A non-refundable fee of \$50 is due for each child attending classes for the annual registration. This fee also covers secondary insurance and will pay all fees not covered by your primary policy. This fee is due annually and is renewed every year on the anniversary of your enrollment.

In-person make-ups for missed classes are not offered. In-person "Special Make-up" sessions are only offered to students who miss their 4th class in the month due to Airborne's Holiday Closures. These make-up sessions can be scheduled only on designated Special Make-up Dates. If your family misses a class, make-ups can be completed through our Zoom program. All Zoom classes are live, instructor-led, and will be catered to the students scheduled on that date. Your child must currently be enrolled at Airborne to schedule and complete make-up sessions. Pre-Team, Xcel, and Team groups are not
